bobfaghan@livefreerecovery.com

Thank you to everyone who came to our second successful Patriots Party for staying safe and enjoying the game with us! These parties have been a great way to include the community and families into some of our office activities.

This month our peer leaders will be starting some new activities for the holiday season, such as soap making projects, jewelry making, and more!

Live Free will also be participating in the Trans-Siberian Orchestra livestream, on December 18th at 8pm! We would love for you to join us for some Christmas fun! Happy holidays and stay safe!

Make sure you check out our blog for some tips on managing the stressful holiday season!
