Thank you County Commissioner Kevin St. James and State Rep. Deb Hobson for coming to last month's open house to discuss concerns for young people in recovery.

It was great to see everyone staying safe and having fun at the trunk or treat in Kingston as well! We hope everyone has a great start to their holiday season this month, and remember to reach out with any questions you may have!

Upcoming Events

Come join us Sunday, November 22nd at 12pm for another Patriots watch party! We will provide snacks during the game while you get to know the staff and our Adolescent treatment programs!
