Wow February flew by! We are so grateful our APG and IOP groups have been doing so well, and enrollment continues to climb!

Thank you to the Community Action for Safe Teens organization that invited our peer leaders to watch “If they had known” and be on a panel discussion. The movie was inspirational and a must watch, and we appreciate the opportunity to be involved!

Check out our social media pages and our website linked below to get more information and updates!

In March we’re looking forward to celebrating National Have a Laugh Day! Mark your calendars for March 19th at 6pm. We’re inviting all families to come to our office and have a game night with ice cream and some more fun activities planned! We’re hoping it will give families the opportunity to connect and just have fun!
